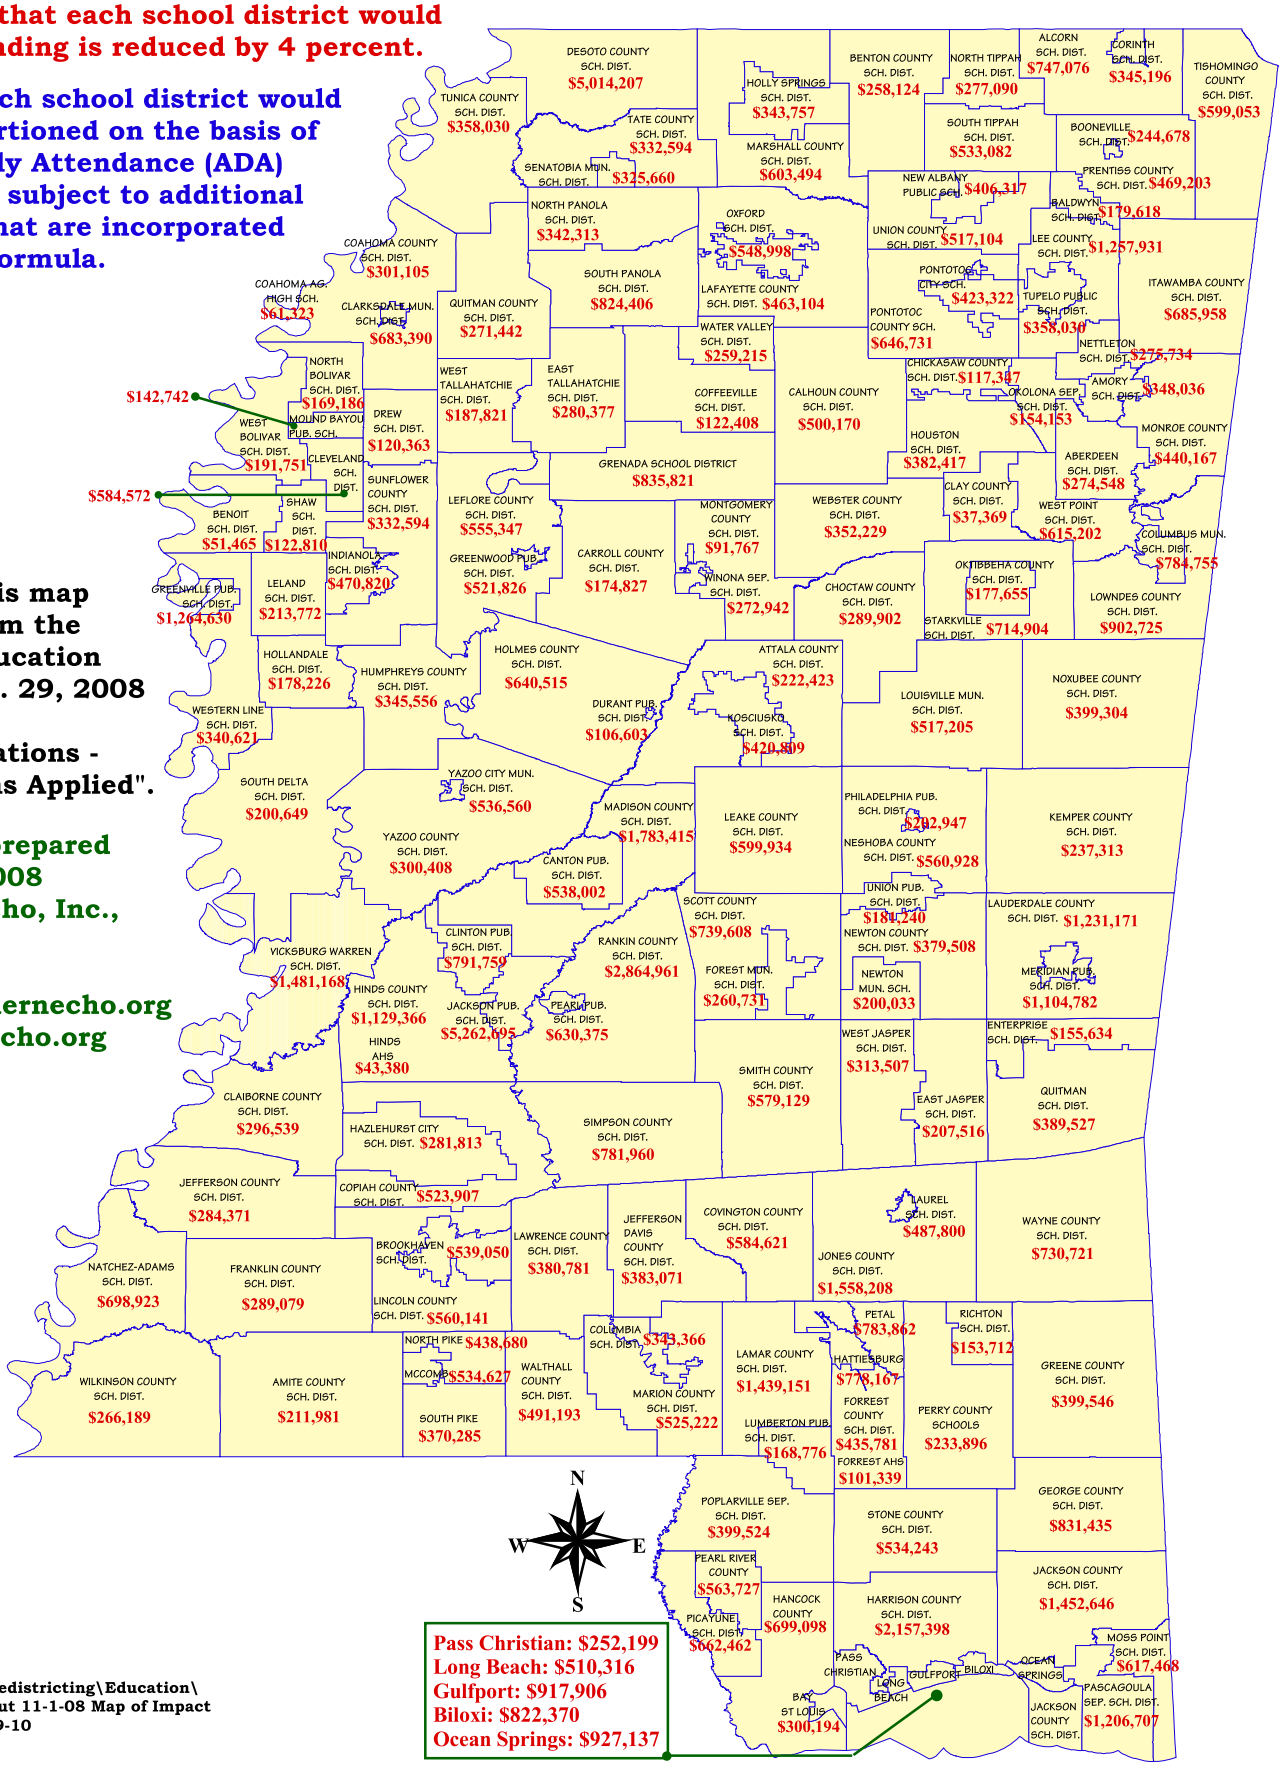
NOVEMBER 2008 -- MAP #2
GOVERNOR BARBOUR WANTS TO CUT MAEP FUNDS -- THIS YEAR and NEXT!

THE GOVERNOR DEMANDS THAT THE MS DEPT. OF EDUCATION CUT 4 PERCENT FROM THE STATE FUNDING OF MAEP DURING NEXT YEAR (Fiscal Year 2009-2010). MDE REPORTS THAT WILL REQUIRE A $100 MILLION SLASH OF THE MAEP BUDGET!

This MAP shows the amount of MAEP dollars [shown in RED] that each school district would lose if MAEP funding is reduced by 4 percent.

The losses to each school district would have to be apportioned on the basis of the Average Daily Attendance (ADA) in each district, subject to additional equity factors that are incorporated into the MAEP formula.



The data for this map was derived from the MS Dept. of Education table dated Oct. 29, 2008 and entitled, "FY 2009 Allocations - With Reductions Applied".
