Senate - 2026 Legislative Session

Senate Bill 2001 – Teacher Pay Raise. \$2,000 across-the-board salary increase for certified and assistant teachers beginning in 2026-2027 school year; expresses legislative intent for \$2,000 salary increase for community college and IHL faculty; Chairman DeBar noted that he hopes the final bill will deliver a raise closer to \$5,000 for K-12 teachers.

The Parents' Campaign favors a vote of yea on this bill, with the expectation that a larger increase will be provided for K-12 teachers as the bill moves through the legislative process.
